

THE UNITED REPUBLIC OF TANZANIA ADVANCE RELEASE CALENDAR FOR THE FINANCIAL YEAR 2024/25

NBS is an autonomous public office established under the Statistics Act, (Cap 351 R.E 2019). The NBS has the mandate to provide official statistics to the Government, Business Community, and the Public at large. The Act gives NBS mandate to coordinate and supervise the National Statistical System (NSS) to ensure that quality official statistics are produced in consistent with Fundamental Principles of Official Statistics.

The Advance Release Calendar (ARC) is a publicly disseminated calendar providing prior notice of the precise release dates when specific statistical information is to be released by institutions in the NSS to the public. This calendar will enhance transparency and allows stakeholders including researchers, policy makers, and the public to plan their activity around these releases.
