THE UNITED REPUBLIC OF TANZANIA ADVANCE RELEASE CALENDAR FOR THE FINANCIAL YEAR 2026/2027

The United Republic of Tanzania through National Bureau of Statistics and Office of Chief Government Statistician has a role to coordinate Advance Release Calendar (ARC) in the National Statistical System (NSS). The Advance Release Calendar (ARC) is a publicly disseminated calendar providing prior notice of the precise release dates when specific statistical information is to be released by institutions in the NSS to the public. This calendar will enhance transparency and allows stakeholders including researchers, policy makers, and the public to plan their activity around these releases.
